reviewer **database**

- 1 Data Protection Act 1998. The Society will incorporate your name, address, contact telephone, fax and e-mail address into a computerized database held at Marlborough House for the purpose of communicating with you regarding possible future book reviews. The database will be private and used for no other purpose.
- 2 The return by you of this completed form signifies that the above arrangements are acceptable.
- 3 Please confirm your name, as you wish it to appear, your telephone, fax and e-mail address. Please bear in mind that we wish to maintain an informal style and prefer the use of a forename, either with or without a title.
- 4 To help us allocate books to reviewers, please indicate areas in which you would consider reviewing books.
